Dear Parents/Carers

May I start by saying "Happy New Year" to you all and what a start it has been. I am sure you will agree with me that we were rather hoping that the Covid virus might be a bit more under control by now but that is not where we find ourselves.

We currently have our teaching staff working with all your children remotely and I have received some very positive feedback from parents with regards to how well this is going. May I please take this opportunity to reassure you that there is no need to finish all the work supplied if your circumstances do not allow it. We do not want any deadlines we have shared with you to cause you unnecessary anxiety during this already highly stressful time.

Our TAs continue to supervise the remote learning of the children of key workers and vulnerable children on site and this is going very well too. We will review our provision again following the review expected from the Prime Minister on 18th January 2021.

Sadly today we say goodbye to our Teaching Assistant, Olivia Segal, who is moving onto pastures new. We wish her well.

Finally I thought I would spread a little joy by sharing a photo of how "Flopsy", the school rabbit, spent her Christmas. Thank you to Miss Salsbury for taking him home over the holidays.

Please do continue to contact teachers with any queries you may have by emailing:

## Free School Meal Parcels

We are currently offering food parcels on a weekly basis to families who are eligible for Free School Meals and are not attending school.

Free school meals are income based and is not the same as Universal Infant Free School Meals which your child will receive if they are in Reception, Year 1 and Year 2.
