

Saffron Green's Newsletter

Friday 12th March 2021

Dear Parents/Carers

What a lovely first week back we have all had. The staff and children have thoroughly enjoyed our outdoor week activities, despite the dip in weather later in the week. They have taken part in a variety of activities such as, den building, making worry dolls, observational drawing and pond dipping which was a particular favourite amongst the children. This approach to learning has really helped to settle the children back to school life and has had a very positive impact on rebuilding relationships with their peers.

I would like to take this opportunity to thank all of you for the amazing job you did of home schooling your children and supporting the school during such a difficult and long period of time. It has been a delight to have all the children back. A big thank you too to all of the hardworking staff in our Saffron Green Team who have helped make the transition back for the children run as smoothly as possible under the current circumstances.

Uniform for next week will be back to normal. Please visit our school website for a full list of uniform requirements. Due to the varied weather, please send your child to school everyday with a warm, waterproof coat. May I also take this opportunity to remind you to send your child to school everyday with a labelled water bottle.

We have met this week with our afterschool club providers and are working hard to ensure we are able to resume clubs for the Summer Term. Watch this space.

Red nose day this year is being held on Friday 19th March, the theme is 'Super Hero's'.

The children and staff can to come to school wearing their super hero costumes or red for a £1 donation.

We will continue to use the class emails as a form of communication between teacher and parent.

Wishing you all a joyful, peaceful and safe weekend.

Mrs Storey
Headteacher
