

Dear Parents/Carers

Welcome to the final newsletter of the spring term. It was truly wonderful to be able to open the school up fully again before the Easter holidays. I hope that all of your children have enjoyed getting back to normal (well the new normal). I know that we certainly have. The weather too has been on our side and the children have enjoyed some wonderful outdoor learning and sporting activities.

This week was rounded off by a lovely array of Easter activities. The children enjoyed making Easter cakes which looked delicious, a big thank you to Mrs Andrews and Mrs Petrou who organised this event for the children. My particular favourite of the week was the Easter bonnet parade so much work went into making all the children look so very special, some with Easter bonnets and some very happy Easter Bunnies too. Many congratulations to the class winners on page 2.

Friday closed the week with an Easter concert as sadly we were unable to invite you all this church this year for our annual Easter Service. The children sang beautifully and I would like to thank, Mrs Tamang, our music teacher for all the hard work she put into this concert.

Thank you for the generous donations that came in on Red Nose Day, your valiant efforts raised £142.00 , an amount we are all be very proud of.

All that remains left is to say that I wish you and your families a joyful and peaceful Easter break with your families. We look forward to seeing you all back on Monday 12 April 2021.

Mrs Storey  
Headteacher
