

Saffron Green's Newsletter

Friday 14th May 2021

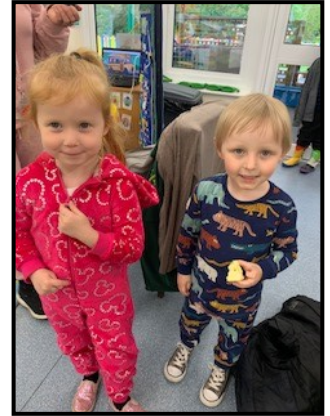

Dear Parents/Carers,

Today the children and adults from Saffron Green and all around the country spent the day enjoying and sharing stories - all in the comfort of their PJs - We each donated £1 to BookTrust to help make sure every child gets their bedtime story.

Just to remind you, our money helps many children who have suffered because of lockdown. Parents struggling to put food on the table, and with schools and libraries closed, Many children have missed out on having books at home and the joy and confidence that bedtime reading brings.

With our help, BookTrust can continue to help families by providing them with guidance and books for bedtime that children can call their own. So they can both look forward to cuddling up together to read a story every night; which could help them to do better at school and improve their confidence.

Wishing you all a joyful, peaceful and safe weekend.
